For more than 40 years, Bregman, Berbert, Schwartz & Gilday, LLC attorneys have been helping clients overcome complex legal challenges in business, real estate, and personal matters. If you need a lawyer who can hit the ground running and who will help you get control of your legal issues, we encourage you to give us a call. Let's sit down together and figure out if we're a good fit. If we are, then let us get to work putting your mind at ease.

Counseling & Advice

Whether you are facing legal issues in your professional or personal life, the key to overcoming them is to make informed decisions based upon sound legal advice. As a client within our Personal Representation practice, your BBS&G attorney will work both proactively and on an as-needed basis to help you overcome any challenges that are thrown your way. Your attorney will serve as your personal general counsel, standing on the front lines and working to diligently resolve any legal issues so that they do not interfere with your life or business any more than is absolutely necessary. We provide personal representation services for a variety of legal matters, including:

- Business and commercial disputes
